Authorization for connecting an electronic device to the Elettra LAN

Form

I, the undersigned, ask the permission to connect a computer or other electronic device to the Elettra Local Area Network (LAN).

<u>Type of device</u>			
<u>From</u>		<u>Until</u>	

According to the "Disciplinare Tecnico Interno sull'utilizzo delle risorse di calcolo e rete - PRDA-LNG-01²", the web form completed on line, "Elettra lan connection request GESI-MOD-01", and this request, I undertake:

- ✓ to only use programs with a valid license I personally own (where not free software),
- ✓ to use the following regularly updated antivirus software (specify): _____;
- ✓ not to copy data of Elettra intellectual property without a specific authorization;
- ✓ to authorise at any moment and whenever requested by the ICTSS Activity, any check and inspection to the hardware, software and data memorised in the device.

The Coordinator of the Group declared above will be responsible for the observance of these rules.
